Moonlit Wings Productions “Camp Drama”, celebrated performing arts summer camp for young performers ages 7-16, debuts **FREE** Regional AND International premieres at **TWO** central locations in the National Capital Area: Falls Church, and Springfield, Virginia. Both shows feature a special community outreach project lead by each talented young cast. Thanks to our partners the Fairfax County Park Authority Summer Camps, we make art: **Fun. Accessible. Universal.**

For the first time ever in the United States, “True Colors”, by Canadian playwright **Len Cuthbert**, will take center stage at Moonlit Wings Productions. While students are rehearsing for “Joseph,” some conflicts arrive in their friendships that demonstrate the very situations to be acted out in their show. A touching story with a fresh cast that’s sure to have everyone’s colors shining bright.
